

JOIN THE WHITE RIBBON CAMPAIGN!

*The largest worldwide effort of men working
to end men's violence against women*

THE GOALS OF THE STATE ASSEMBLY RESOLUTION ON THE WHITE RIBBON CAMPAIGN ARE TO:

- urge men to show their support for ending men's violence against women
- raise awareness of this problem in the community
- conduct educational work in schools, workplaces, and communities
- support organizations that deal with the consequences of violence against women

The wearing of a white ribbon is a statement that you will never commit, condone, nor remain silent about violence against women. By doing this you will foster a society free from violence against women. The White Ribbon Campaign encourages reflection and discussion that leads to personal and collective action among men.
